

Name _____

Date _____

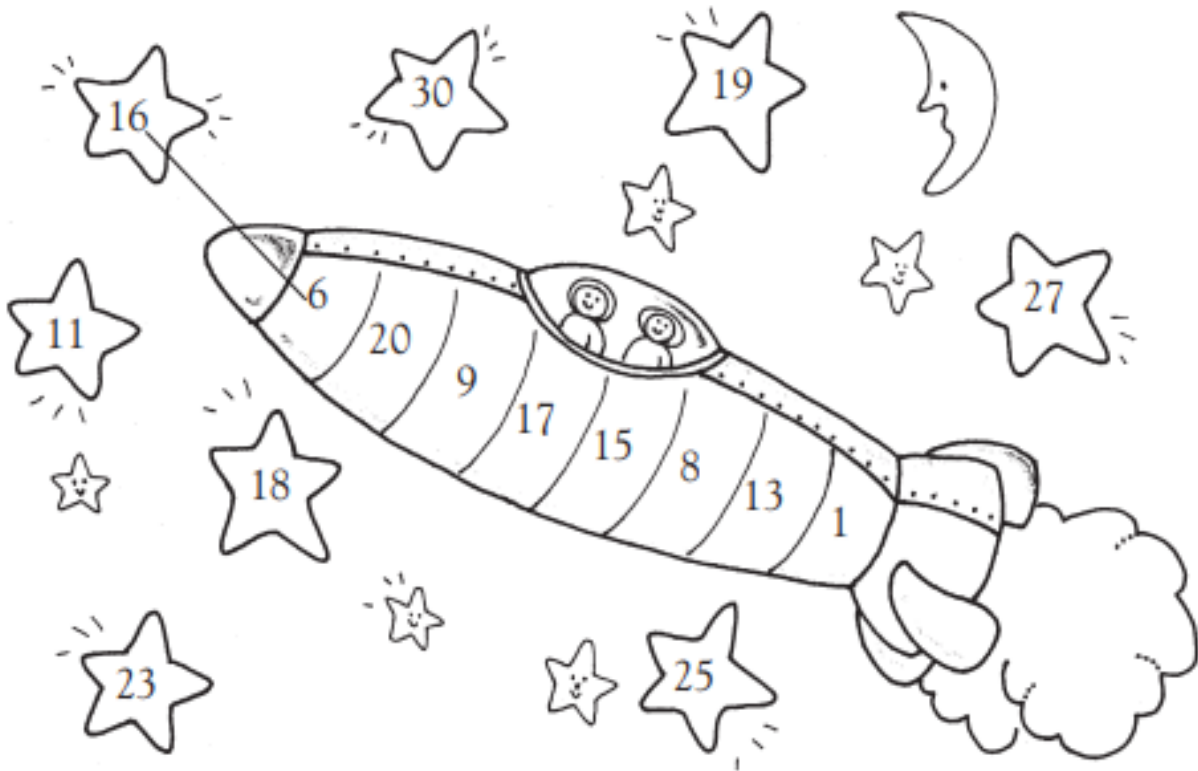

Class _____

Score _____

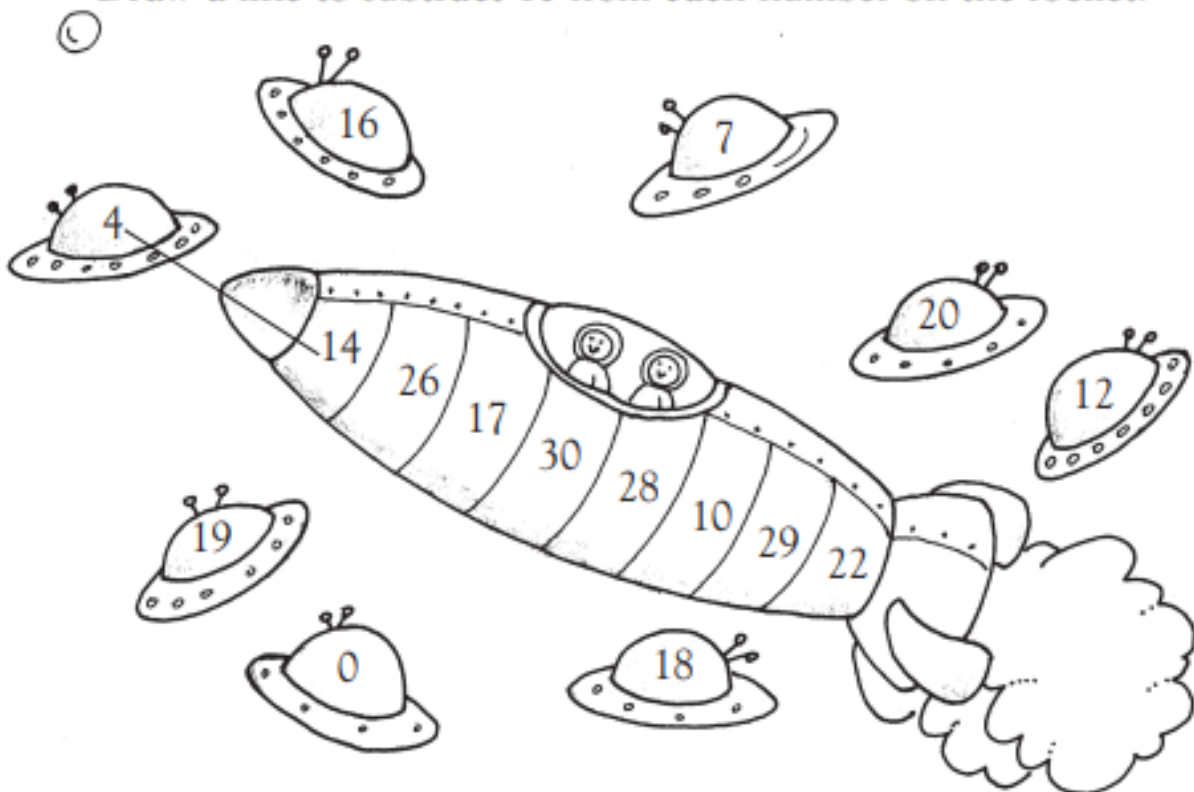

10 more or 10 less

Value of 10 Worksheets
Adding 10 and subtracting 10

Draw a line to add 10 to each number on the rocket.

Draw a line to subtract 10 from each number on the rocket.

Name _____

Date _____

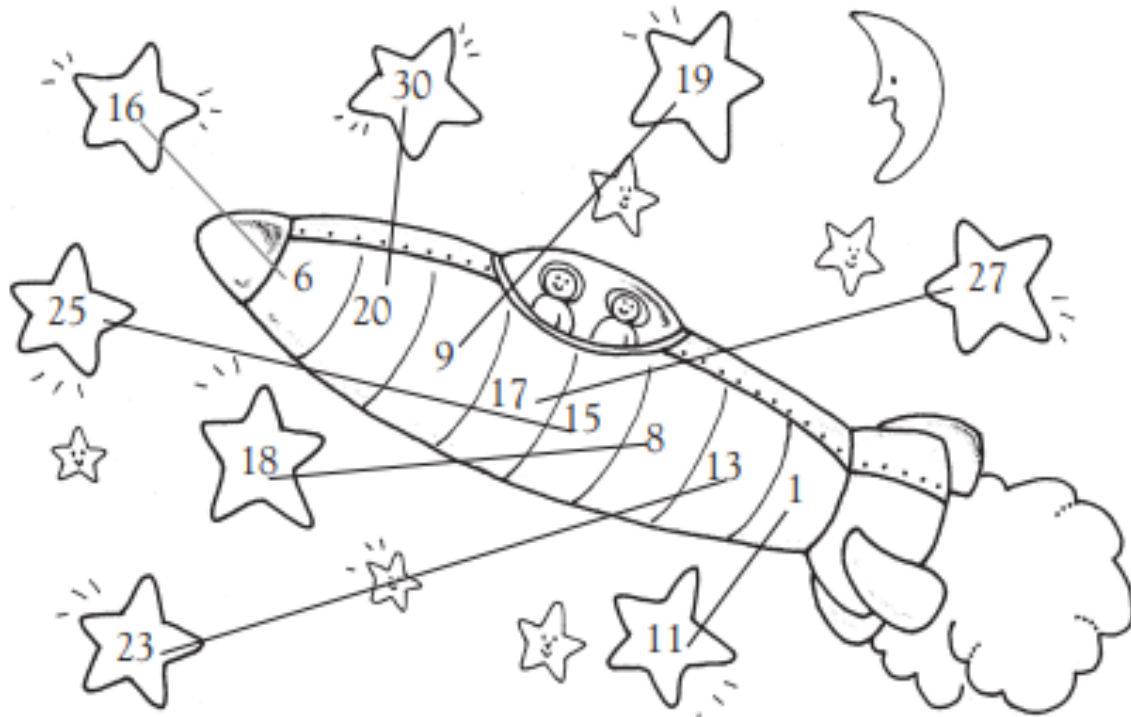

Class _____

Score _____

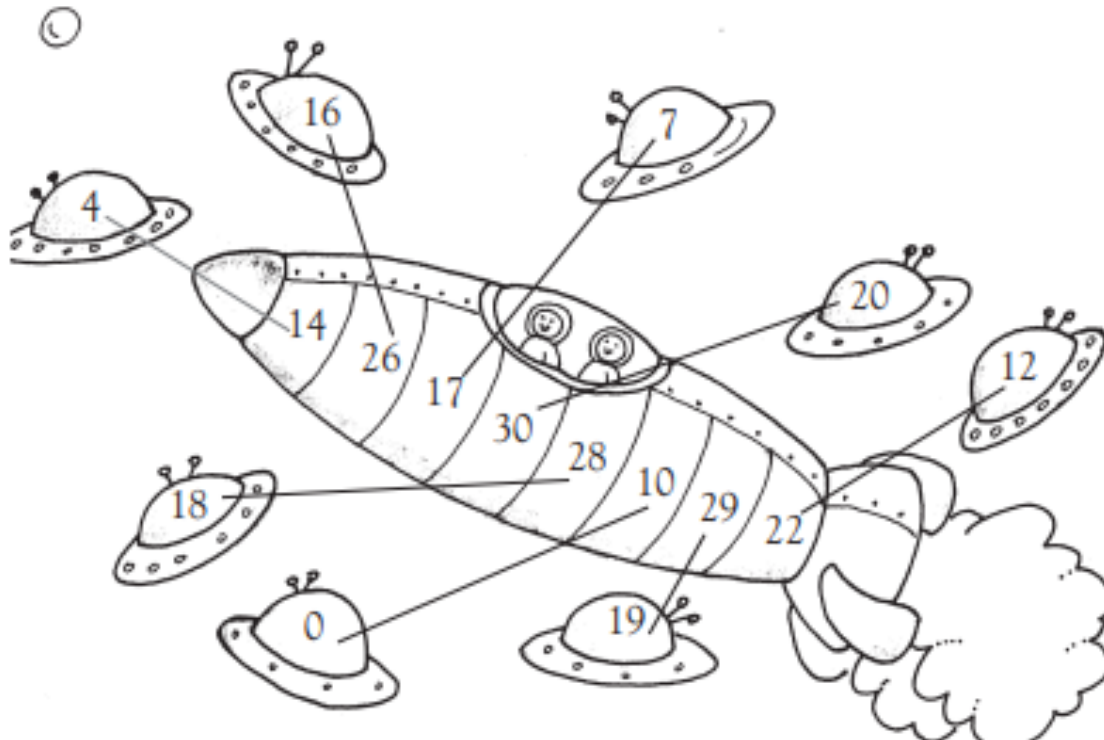

10 more or 10 less

Value of 10 Worksheets
Adding 10 and subtracting 10

Draw a line to add 10 to each number on the rocket.

Draw a line to subtract 10 from each number on the rocket.

Make sure children understand that when they add 10 or subtract 10, they must work with the tens. Familiarity with “10 more” and “10 less” will help to develop the ability to do mental math.
